Fostering an Entrepreneurial Mindset

Entrepreneurship plays a key role in addressing the global challenges of the XXI century, contributing to a more sustainable development, for the creation of employment opportunities, promoting social value for society and stimulating the development of local territories.

Network of Entrepreneurial Schools is a project Co-funded by the Erasmus + Programme of European Union, that intends to contribute to promote a culture of innovation and an entrepreneurial spirit in the school community. We are a learning community of Schools, Municipalities, Local Development Agencies and promoters of entrepreneurship education projects that seeks to improve our educational practices and contribute to the promotion of an entrepreneurial attitude in the school ecosystem
